SALES TAXES Orders delivered in Maine and Connecticut are subject by law to state and local sales taxes unless purchased by and for a Tax Exempt Organization. We are obligated to col-

lect sales taxes for orders placed by individuals (regardless of duties in a church) and non-exempt organizations in those states.

DELIVERY If you prepay your order with a check, money order or credit card, you pay just half the standard ground delivery charge. Special two-day and overnight delivery is available to many locations, at an extra charge. See information on the order form.

PAYMENT TERMS

PREPAYMENTS You may prepay your order by check, money order, American Express, Discover, MasterCard or VISA, in USA funds only, and we will thank you by absorbing half the cost of ground delivery services.

ALMY CHARGE ACCOUNTS Customers with Almy Accounts in good order may charge their orders. Almy Account charges are payable within thirty days of the date of shipment. Almy reserves the right to impose a finance charge of up to 1.5% per month on past due accounts.

TO OUR INTERNATIONAL CUSTOMERS

PAYMENT TERMS Please enclose a Money Order in USA funds or credit card authorization (VISA, MasterCard, American Express, Discover) with your order.

DUTY, TARIFF AND INSURANCE Each country has its own duty and tariff regulations covering the products supplied by Almy. In many countries, items sold to a church for use in church services are duty free. We suggest that you contact your local postal or customs officials for the policy that applies to the product you are ordering. Almy will provide all necessary documentation for clearance through customs. For shipments to some countries, parcel insurance is not available, and we cannot be liable for losses or damages occurring in transit.
